

BRYAN LEVERICK

NETCO VICE-PRESIDENT

Bryan Leverick was one of the original founders of NETCO. He is the president of Alliance Energy Ltd. and has been with the company since 1974.

Mr. Leverick has a Business Administration Certificate from the University of Saskatchewan. He holds a Chartered Director designation from McMaster University and is a journeyman electrician with a Gold Seal in project management from the Canadian Construction Association.

In 2003, the Saskatchewan Construction Association awarded Mr. Leverick the Distinguished Service Award. They also awarded him the Person of the Year Award in 2006. He is an avid supporter of the Royal University Hospital Foundation and Ducks Unlimited Canada.
